My Compliments to . . .

- Mr. Haney for recently arranging a Zoom presentation from West Texas Workforce Solutions to discuss the critical skills our students will need for employment in the near future!
- Ms. Lindley for connecting her Forensics class and the game “Among Us” that many students are currently playing!
- Mr. Engel for a nice, relevant project in W. Geography where students got to show off their own heritage!
- Mrs. Heidema for an excellent review of Algebra II concepts this week, where she had students summarize and detail their recently covered topics and then teach one another through a live slide presentation.
- Mr. Long for paying homage to the universe and its possibility for extinction during one of his Physics lessons this week! Cryptic . . . 😊
