

# Austin Elementary CAMPUS GUIDE

**2017-2018**

## Principal's Letter to Parents

Welcome Austin Raider Scholars! As our staff and students make "Great Happens Here" (theme), we encourage you to join us! Our 2017 - 2018 "Leader in Me" theme will surely encourage and enrich our student in great reading, science, math, writing, music, social studies, and physical education success.

The Austin Elementary Campus Guide is designed to provide a resource for some of the basic information that you and your child will need during the school year. Please be aware that the term "parent" is used to refer to the parent, legal guardian, or other person who has agreed to assume school-related responsibility for a student.

Both students and parents must be familiar with the *Abilene Independent School District Student Code of Conduct*, required by state law and intended to promote school safety and an atmosphere for learning. That document can be found on the website [www.abileneisd.org](http://www.abileneisd.org), or you can request a copy from the school office at Austin Elementary.

The Campus Guide is designed to be in harmony with board policy and the *Student Code of Conduct*. Please be aware that the handbook is updated yearly while policy adoption and revision may occur throughout the year. Please note that references to alphabetical policy codes are included so that parents can refer to current board policy. Changes in policy that affect the Campus Guide provisions will be made available to students and parents through newsletters or other communications. In case of conflict between Board policy or the *Student Code of Conduct* and any provisions of student guides, the current provisions of Board policy or the *Student Code of Conduct* are to be followed.

We encourage parents to review the entire campus guide with their children and keep it as a reference during this school year. If you or your child have questions about any of the material in this guide, please contact a teacher, the counselor, or the principal.

We welcome your participation and support during the school year and solicit your membership in PTO and volunteer (VIPS) program. In working together, we will be able to reach greatness. We are committed to preparing your child toward reaching his/her full potential as a true scholar. As teachers and parents we have a shared responsibility to prepare our children for the future. Austin Elementary teachers are the best and will be ready to help your children grow educationally!

Sincerely,  
Alison Camp, Principal  
Jeffrey M. Brokovich, Interim Principal

**Austin Elementary Campus Guide** –Topics in this handbook contain important information on academics, school activities, and school operations and requirements. Take a moment with your child to become familiar with the various issues addressed in this guide. It is conveniently organized in alphabetical order to serve as a quick-reference when you or your child have a question about a specific school-related issue. If you were unable to find information on a particular topic, please contact the office at 325/690-3920.

**Arrival to School** – For safety reasons, parents may not enter the building before 7:50 except for a scheduled conference, to eat breakfast, to see the nurse, or to go to the main office. All students arriving at school before 7:50 will go directly to the cafeteria. In order to ensure a calm start to the school day, this is a quiet time with *no talking*. Students who wait in the cafeteria are encouraged to bring books to read or drawing/writing materials. Students will be dismissed from the cafeteria to their classrooms at 7:50. Students, who arrive between 7:50 and 8:00, may go directly to their classroom. The tardy bell rings at 7:50, and morning announcements begin at that time. All students should be in their classroom. Students, who are tardy, will conference with the teacher.

**Awards** – Awards assemblies are scheduled for grade levels 4-5 during the last week of school. Grades K-3 will present awards in the classroom the last week of school.

**Breakfast** – Students, who will be eating breakfast at school, must arrive by 7:45 a.m. in order to have enough time to eat before the 7:50 bell. The doors are closed at 7:45. Breakfast is a quiet time with no talking. Parents eating breakfast with their children should observe the cafeteria rules.

**Conduct- Applicability of School Rules** – All children should have the opportunity to achieve their fullest personal and academic potential in a safe, caring environment. For this reason, Austin Elementary has adopted a school-wide set of conduct rules to help create a positive learning environment for your children. It is a commitment that requires everyone – school personnel, students, and parents to assume his or her share of the responsibility toward the attainment of this goal. To do otherwise would be a disservice to our students. In order to provide the best learning environment for our students and to ensure their safety, there are three school-wide rules at Austin:

1. Students may not interfere with the learning or safety of others or themselves.
2. Students must be respectful of adults and other students in school.
3. Students must be respectful of personal and school property.

These rules are the same whether a student is in the hallway, in music, in P.E., on the playground, anywhere on school grounds, or at a school- sponsored event. Teachers and administrators have full authority over student conduct at before- and- after school activities. Students are subject to the same rules of conduct that apply during the instructional day and will be subject to consequences established by the ***Student Code of Conduct***. Each classroom has specific rules posted. In addition, school-wide rules are posted in appropriate areas throughout the building. All school personnel have responsibility for all Austin students. A student's behavior should conform to acceptable standards of conduct as established by the principal and teachers. Positive behavior is essential for effective learning. Student behavior that disrupts the learning process or infringes on the rights of others will not be tolerated. It is important that students take responsibility for their actions and realize their own attitudes and actions are directly related to their school experience and that of their classmates. With the support and assistance of school personnel and parents/guardians, all students have the capacity to **choose behaviors** that enhance their relationships and facilitate learning. The ultimate goal of discipline is self-discipline.

Austin Elementary will provide a positive learning environment for students. In order to help students become self-motivated, self-disciplined, and life-long learners, school personnel are encouraged to respond to student success with positive reinforcement. When students are engaged in inappropriate behaviors, it is the responsibility of the teacher and the principal to work with the student to correct the behavior. Students shall be treated equitably and fairly. Discipline shall be based on the seriousness of the offense and frequency of misconduct. There will be immediate and consistent intervention of any behavior that impedes orderly classroom procedures or interferes with the orderly operation of school.

Austin Elementary follows the District-Wide Discipline Plan. On the Discipline Plan, if a student is referred to the principal, parents/guardians will be notified with a *Discipline Report* and/or a telephone call. The Discipline Report must be signed and sent back the next school day. Students are responsible for discussing misbehaviors with parents/guardians at home so that we can work together to correct inappropriate behaviors.

Teachers and administrators have full authority over student conduct at before or after school activities on district premises and at school-sponsored events off district premises, such as play rehearsals, club meetings, and special study groups or tutorials. Students are subject to the same rules of conduct that apply during the instructional day and will be subject to consequences established by the ***Student Code of Conduct*** or any stricter standards of behavior established by the sponsor for extracurricular participants.

Any district employee may, within the scope of the employee's duties, use and apply physical restraint to a student that the employee reasonably believes is necessary in order to protect a person from injury to self or another and to protect property from serious damage.

**Dismissal** – All grade levels are dismissed at 3:15. For the safety of our students, parents should wait on the outer premises of the building for students to dismiss. Their teacher will dismiss students. Monitors are on duty after school at all pick-up points. Some Austin students are eligible to ride the school bus. In order to ease traffic and ensure a safe dismissal, Austin has developed a Safety Plan.

**Safety Plan for 3:15 Dismissal** – Students must go straight to their ride, ride their bike, or walk home. Students are not allowed to play on campus after school. Students are not allowed to re-enter the building after dismissal. Any changes regarding how a child is to get home should be discussed with your child before school, or called in to the office (690-3920) so that we may give a message to the student/students. Please call changes no later than 2:40 PM to ensure that we have enough time to get the message to the child. **NO CELL phones – it is the law!**

- All Kindergarten and 1st grade students will exit Austin to the front sidewalk. Kindergarten and 1st Grade teachers will stay with their students until they are on the bus, picked up by a daycare, or picked up by a parent or designee. Traffic is one-way in the front circle. Make the loop when your child is not readily stepping into your car; simply exit, circle around, and try again. Parking is **ONLY** allowed in the **RIGHT lane**. Drivers in the left lane **MUST** remain in their car at **ALL** times! Be **KIND** to the traffic monitors.
- All 2<sup>nd</sup> and 3<sup>rd</sup> grade students will be picked up on GREENBRIAR near the back of the cafeteria. Please do not park in the crosswalk, teacher parking lot, or directly behind the cafeteria. It is best to park against the curb and head clockwise around the campus. (This prevents students from crossing the street and avoiding traffic.) **ONLY** two lanes in the drive thru, **never three!**
- Drop off and pick up for 4<sup>th</sup> and 5<sup>th</sup> grade students is on S. 23<sup>rd</sup> where students will cross the track. Parking curbside in a clockwise direction is preferred to avoid students crossing the street. In case of rain or muddy conditions, please pick up in the front of the school.
- All bus riders will be escorted to the bus stop.

- Alliance After School Care students will go straight to the cafeteria.
- Students that are not picked up by 3:25 will be brought to the office. **No student will be allowed to wait anywhere else after 3:25 and must be picked up from the office.** Students may see Mrs. Turk to call and check on their ride **after 3:25.**
- Late pickup should be rare. Teachers are most often involved in team meetings and planning. Please always call and let us know (690-3920) if you will be late and when you can pick up your child.

**School Nurse 690-3920 Ext. 7310** – We have a registered nurse at Austin. Her office is equipped to handle routine medical needs. In the event of a more serious illness or injury, parents will be notified immediately. It is vital that we have the latest information on students' Emergency Cards! If you move, change your telephone number, or change jobs, we need to know so that we can reach you as quickly as possible.

**Parties** – Homeroom moms and VIPS will plan these parties with the classroom/homeroom teacher. Parents may be asked for a small donation to cover the cost of the party.

**Invitations to personal student parties away from school may be handed out at school only if every child in the homeroom class receives one.**

**It is against AISD policy to send flowers or balloons to students at school.**

**Pets** – Not permitted unless there is an occasion that is instructional and approved by the teacher.

**PTO** – The Austin PTO is an association of parents and staff members working cooperatively to enhance the educational program for our students. This association is based on mutual trust, respect, and understanding. The PTO provides many activities and services to the educational program that could not be accomplished without parental involvement. Please make sure you join PTO during this year's membership drive!

**Release of Students During The School Day** – Because class time is important, doctor's appointments should be scheduled, if possible, at times when the student will not miss instructional time. Please follow the campus sign-out procedures before leaving the campus with a student. Otherwise, a student will not be released from school at times other than at the end of the school day. Unless the principal or superintendent has granted approval because of extenuating circumstances, a student will not regularly be released before the end of the instructional day. If a student becomes ill during the school day, the student should receive permission from the teacher before reporting to the school nurse. The nurse will decide whether the student should be sent home and will notify the student's parent.

**Return of Students During the School Day** – A student returning to campus before the school day is over must come by the office before returning to class.

**Sales/Advertisements/Handouts** – Publications prepared by and for the school may be posted or distributed, with prior approval by the principal, sponsor, or teacher. Unless a student or parent obtains specific prior approval from the principal or the District, written materials, handbills, photographs, pictures, petitions, films, tapes, posters, or other visual or auditory materials may not be posted, sold, circulated, or distributed on any school campus. Students may not sell anything at school unless it is a school sponsored activity or approved by the principal.

**Student Activity Fund** – The student activity fund pays for items or activities that directly affect students. Field trips, classroom supplies, student rewards, classroom projects, and motivational speakers, are examples of Student Activity Fund uses. There are several ways to earn money to help the school such as the **Mills Box Tops for Education**. Please save box tops and return them to the PE teacher. Please send them in a plastic bag in groups of 50 and label the bag with your child's name.

**Tardiness** – Please set your watch to “Austin Standard Time”! The tardy bell rings at 8:00. Morning announcements are at 8:00, and all students should be inside their classrooms at that time. Late arrivals are disruptive to the classroom and have an adverse effect on learning. In order to help our students, we cannot afford to lose instructional time. The secure fence will be set to lock at 8:05. Students arriving before gates are locked may go directly to class. After 8:05, students will have to be escorted to the main entry gate with parent/guardian. The parent will need a Driver's License to enter the inner gate with their child. Children will go directly to class without a parent escort. Repeated instances of tardiness will follow the guidelines described in the *Student Code of Conduct*.

**Traffic** – Cooperation is essential to avoid conflicts in the front drive! Traffic is one-way in the front circle. Arriving students should be dropped off in the right hand lane closest to the sidewalk. Please be courteous and patient during drop-off and pick-up times. Please cooperate with the adult supervisors with kindness when motioned or spoken to.

**VIPS (Volunteers in Public Schools)** – Our volunteers are invaluable! There are so many activities that parents may volunteer their time for...the list is endless! The VIPS chairperson will send home a volunteer sign-up sheet at the beginning of the year. Teachers will also have a sign-up sheet for homeroom moms. We appreciate the work our volunteers do every day!

**When you volunteer, please remember to sign in at the main office.**

**Visitors** – Parents and others are welcome to visit Austin Elementary. For the safety of those within the school, and to avoid disruption of instructional time, all visitors must report to the main office. A driver's license is required, and visitor stickers must be worn. Visits to individual classrooms during instructional time are permitted only with prior approval of the principal and teacher and so long as the duration or frequency does not interfere with the delivery of instruction or disrupt the normal school environment. All visitors are expected to demonstrate the highest standards of courtesy and conduct; disruptive behavior will not be tolerated. School personnel may require identification of any person on school property.

*Please notify the office if you move, change jobs, or change telephone numbers. If you move out of the Austin attendance zone, you may call the administration building (677-1444) to request a transfer.*
