# Center for Innovation – Math/Science Magnet School

*A Partnership between Abilene ISD and McMurry University*

---

## STUDENT and PARENT Agreement

### We understand

- the curriculum of the Center for Innovation is designed for students interested in math and science;
- this program will be located on the McMurry University campus;
- admission to the school is by a lottery pool and the goal of placement will be to have a balance of students representative of the District;
- if chosen, we understand that satisfactory behavior, conduct, attendance, and academic progress are essential for successful completion of the program;
- we are responsible for providing transportation to and from school each day;
- the school day operates from 8:05 AM - 3:30 PM, and we are responsible for ensuring the prompt arrival and pick-up each school day; and,
- due to the enhanced nature of the math/science curriculum, students may occasionally be involved in out-of-town field trips.

### We agree to

- abide by all Abilene ISD policies including discipline, regular and punctual attendance, good conduct, and passing grades, as well as any applicable McMurry University policies and
- follow Abilene ISD policies regarding computer and internet use.

We further understand that failure to abide by rules and procedures could result in a student being moved back to the home campus.
