PRESS RELEASE

COOPER HIGH SCHOOL HOSTS BIG ART DAY

The art department of Cooper High School will host “Big Art Day,” a day of celebrating the arts and building campus unity, on Thursday, March 7.

Big Art Day is a statewide project of art awareness promoted by Texas Art Education Association. Students are encouraged to post their #BIGARTDAY19 photos on social media.

Funded by an Abilene Education Foundation grant named “Art A-Round the Campus,” the Cooper High celebration will feature sidewalk chalk stations, a photo booth, a screen printing booth and other fun activities. The choral ensemble Red Rhythm and Blues also plans to present “pop-up” performances throughout the campus.

Most of the activities will take place between noon – 1 p.m.

Cooper High’s Art Club, Photo Club, Student Council, Red Rhythm and Blues, and ROTC will all be helping with the event.
