

Summer School Guidelines

ELIGIBILITY

Students who were officially enrolled in the Abilene Independent School District as well as students from other school districts are eligible to attend summer school.

ABSENCE POLICY

At the Middle School level, any student with more than **one** absences per session will not receive credit. This is in accordance with the 90% attendance requirement. A student planning to attend summer school should not plan vacation time during the sessions. **If a student acquires 2 absences in a semester (session) course, he/she will be subjected to loss of credit for that course with NO refund of tuition and will NOT be permitted to continue attending class.**

TARDY POLICY

Because of the short length of class sessions and academic intensity of summer school, prompt and consistent attendance is required. Under the Discipline Management System of summer school, students who are persistently tardy to class may be dropped from attendance of summer school. **Five tardies of fewer than 10 minutes each shall count as one absence and being late 10 minutes or more shall count as one absence.**

REFUND POLICY

Students who are dropped for disciplinary reasons from enrollment in summer school or who have been dropped because of excessive tardies or absences will NOT be refunded any tuition or fee. Refunds cannot be made after the third day of classes. All requests must be approved by the administration.

DRESS CODE

All students attending summer school sessions in AISD schools will be subject to the dress code as well as the disciplinary policies of AISD. Students will be subject to removal from the summer school program WITHOUT a refund if referred to school administration more than twice.

IMPORTANT NOTE TO PARENTS

Please remember that Summer School Curriculum is presented at an extremely intense pace in order to cover the state required Texas Essential Knowledge and Skills (TEKS) in a limited time period. ALL students enrolled in Summer School courses will be expected to master at least 90% of the material presented. Failure to adhere to drop off and pick up schedule will result in removal from summer school.

PRE-AP COURSES

Any Student failing a Pre-AP course will need to take the appropriate grade level equivalent to be promoted or attend high school summer school to recover the credit. If a student fails 8th grade Pre-AP Algebra I, he/she will need to attend High School summer school or retake the course in 9th grade to recover the Algebra I credit
