

# Login

Access the website <https://teams.abileneisd.org/registration> and login with your TEAMS User ID and Password. Abilene ISD employees must use their district username and password.

If you are not an employee of Abilene ISD and you do not have a TEAMS parent account, then follow the Account Creation help document.

The screenshot shows the login page for the Abilene Independent School District Online Student Registration Portal. At the top, there is a logo for Abilene Independent School District featuring a red star and the word "ABILENE" in red, with "Independent School District" in smaller black text below it. Below the logo, a welcome message states: "Welcome to the Abilene Independent School District Online Student Registration Portal. Parents/guardians who do not have any students in the district or do not have a Parent Self Serve login will need to complete the new user registration in the Parent Self Serve application by clicking the 'Register New User' link below to create a new Parent Self Serve account. If you already have a student in the district, select your language below and login using your Parent Self Serve credentials to enroll a new or existing student." Below this message is a red link for "Admission Policy Statement". A paragraph of text follows, stating: "A person who knowingly falsifies information on a form required for a student's enrollment is considered to have committed a 3rd degree felony (Texas Penal Code 37.10). If an ineligible student is enrolled on the basis of false information, the person(s) is liable for the maximum tuition fee the District can charge or the amount the District has budgeted per student as maintenance and operation expense, whichever is greater." At the bottom of the page, there is a login section. It includes a "Language" dropdown menu with "English" selected, and a red instruction: "Choose the language in which you want to read the registration instructions." Below this are input fields for "User ID \*" (with the placeholder "Your username") and "Password \*". To the right of these fields is a red instruction: "Enter your TEAMS User ID and Password." Below the input fields are three buttons: "Login", "Forgot User ID?", and "Forgot Password?". A red arrow points to the "Login" button with the text "Click Login to continue". Below the buttons is a blue link for "Register New User".
