Loose-leaf notebook paper or a spiral notebook for notetaking

Normally I supply colored pencils, markers, scissors, and glue sticks in my classroom. With COVID precautions each child will need their own set. We do not use these items daily, but we do use them. If you are abl, please also bring:

Black sharpie
Scissors (small are fine)
Marker
Colored pencils
Glue stick

Each student will be given a bag to keep their supplies in.

We have an electronic textbook that students will be able to access from home. We do many online assignments and presentation so all students will need to have online access.
