How to Add Sound to a ClassFlow Lesson

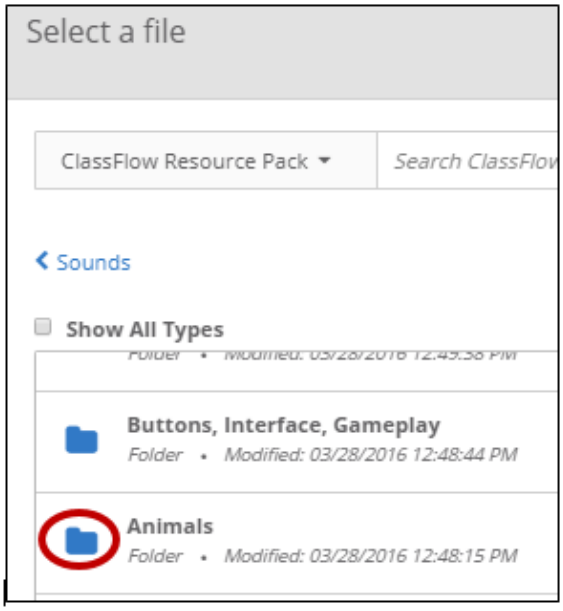
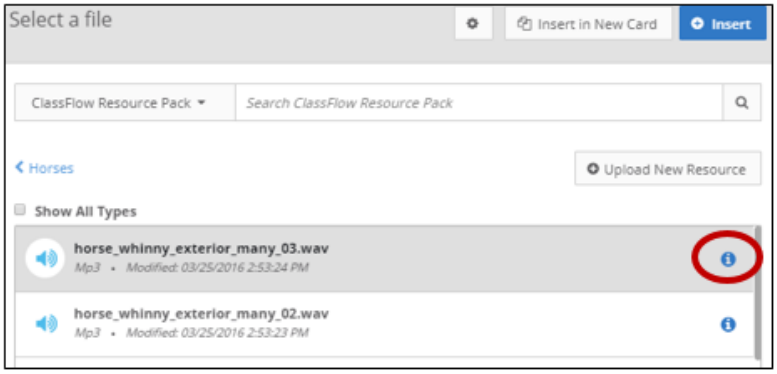
Go to https://classflow.com and login.	To add sound, open an existing lesson to add sound, select Create Lesson from the Home page, **or** select the Resources tab, New and Lesson.	 If existing lesson, select an image by clicking on it, or insert image onto ClassFlow card. Steps below: • Select the Insert folder located in the Toolbar • Select the down arrow by My Resources • Select ClassFlow Resource Pack • Select the Sounds folder	  
How to Add Sound to a ClassFlow Lesson




- Scroll to find desired sound by opening a folder or folders and testing sounds by clicking on "i" in the blue circle to the right side of the sound.
- Click Insert and place sound in preferred location on card.
