

How to Clone on Drag in a ClassFlow Lesson

| | |
|---|--|
| <p>Go to https://classflow.com and login</p> |  <p>The screenshot shows the ClassFlow website header. The 'Log In' button is circled in red, along with the 'Create an Account' button.</p> |
| <p>To add the Clone on Drag feature, open an existing lesson, select Create Lesson from the Home page or select the Resources tab, New and Lesson.</p> |  <p>The screenshot shows two parts of the ClassFlow interface. On the left is a large 'Create Lesson' button. On the right is a navigation menu with 'Home', 'Classes', and 'Resources' tabs. The 'Resources' tab is circled in red. Below it, a 'New' button is circled in red, and a dropdown menu shows 'Folder' and 'Lesson' options, with 'Lesson' also circled in red.</p> |
| <p>If existing lesson, select the desired image by clicking on it or insert image from My Resources or Bing Images onto a ClassFlow card.</p> <p>Steps below to Clone on Drag:</p> <ul style="list-style-type: none"> • Select desired image by clicking on it • Select the Gear as indicated by red arrow • Select Actions • Select the down arrow then choose Clone on Drag • Select Save <p>When Delivering (presented) the lesson, use a stylus for the Clone on Drag feature to work properly. Currently using fingers causes the card to move instead of cloning image.</p> |  <p>The screenshot shows the 'Insert' process. At the top is a toolbar with an 'Insert' icon circled in red. Below it is the 'Insert' dialog box. The 'My Resources' dropdown is circled in red, and the 'Search My Resources' field is also circled in red. The 'Insert' button is circled in red. Below the dialog box is a screenshot of a card with a coin image. A red arrow points to a gear icon in the top right corner of the card. A context menu is open over the gear, showing options like 'Duplicate', 'Reorder', 'Rotate', 'PRESENTING PROPERTIES', 'Anchor', 'Actions', 'Delete', and 'Edit Rotation Pivot'. The 'Actions' option is highlighted with a red arrow. To the right is the 'Add & Edit Actions' dialog box. The 'Action Type' dropdown is set to 'None'. A red arrow points to the dropdown arrow. Another red arrow points to the 'Clone on Drag' option in the list of actions.</p> |
