H - Help: how to ask for help during the activity

A - Activity: task/objective for the classroom that day

M - Movement: the expectation of movement from students during the activity

P - Participation: how the students are expected to participate in the activity

S - Success: how the student will be successful with the activity.

Foundations

The foundations process is a joint partnership between the district and campus that develop effective schoolwide discipline plans. The expectations for this partnership at the campus level is as follows:

- Hallway: direct flow of traffic for students to move in common form.
- Cafeteria: assigned seating for classes and grade levels for morning, lunch, and after schools seating.
- Restrooms: Go, flush, wash, leave. No phone usage allowed in the restroom.
- Extracurricular Activities:
 - Friday Night Football – Middle School students must attend games with an adult. Students are required to sit with the adult they entered the stadium with at the beginning of the game. If students are up roaming around, students will be escorted back to the adult. If student refuses to stay with the adult, middle school student will be asked to leave the stadium.
 - Craig Extracurricular Activities- Must remain seated for the activity. Cannot congregate at the concession stand or in the restroom. There is no re-entry after leaving the activity. All student behavior expectations MUST be followed at the event. Failure to follow expectations may result in permanent removal from remaining events.

Referral Process: Any student who fails to follow CHAMPS or any other school expectation is subject to a referral. Referrals are given after multiple redirections and parent contact has been made. If the offense is severe, the student will be taken directly to their Assistant Principal for discipline. Each referral will be handled on an individual basis. Multiple referrals may constitute further discipline.

****Discipline is a consideration for attending 6-week rewards****

Bullying:

To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, school counselor, principal, or other District employee.

Students will fill out a report in the counselor's office, or through the online bully report.

The link for online bully reports is located on Craig Middle School's home page and provided below.

<https://docs.google.com/forms/d/e/1FAIpQLSfy6mmxiK0KBfge6lzYGrxXVq1p1ST74uL4BYy3n4ehBKKEQ/Viewform>

Once the form is filled out, Assistant Principals will begin an investigation over the report. The report will then be shared with the bully committee to determine if bullying was taking place.

The Bully Committee consists of our Instructional Specialist, a Counselor, a few teachers, and a few students.

School Resource Officer:

- Our partnership with the Abilene Police Department helps to maintain a healthy learning environment for all students. The School Resource Officer (SRO) Program goals and objectives are:

All visitors will be asked to self-screen for COVID-19, and masks will be recommended. Arrival

Parents are strongly encouraged to drop off students as close to 8:10 as possible. During this year, students will enter the school through specific and appropriate entrances and proceed to the cafeteria for breakfast or their assigned grade-level holding area.

- **Students NOT Eating Breakfast:** Students walking or being dropped off who are not eating breakfast will enter the building through the main entrance and proceed directly to their assigned location. Bus riders who are not eating breakfast will enter the building through the bus entrance and proceed directly to their assigned location. Students bringing an instrument to school who are not eating breakfast will be expected to enter through the fine arts entrance near the gym. These students will wait in their assigned fine arts holding area until being asked to transition to their first period.
- **Students who ARE Eating Breakfast:** Students who are walking or being dropped off and are eating breakfast will enter the building through the main entrance. Bus riders who are eating breakfast will enter through the cafeteria entrance on the west side of the building. These students are expected to go directly to the breakfast line upon entering the building. Students who bring an instrument to school and eat breakfast will enter through the fine arts entrance and must drop off their instrument in its correct location before walking to the main hallway to enter the breakfast line.

Breakfast

- After the student goes through the breakfast line, the student will be directed to the next available cafeteria seat.

- When a student finished breakfast, they will be directed to the appropriate location until it is time to release to 1st period.

Transition/Passing Periods

To ensure the safety of students and reduce the amount of traffic in hallways, Craig has adjusted the schedule for each grade level and reorganized the campus to minimize hallway traffic.

- Students will have 3 minutes to travel to their next class.
- Water fountains will be closed at this time.
- Students will be expected to abide by the hallway expectations and any directives from a member of the campus staff or administration.
- Student ID cards will be labeled for certain students, allowing them to access specific parts of the building not necessarily part of their grade level or subject area. These will be discussed and addressed on a case-by-case basis.
- Signs and directions will be posted in numerous places and reinforced throughout the year.

Lunch

Each serving line will serve the same food options this year. Additionally, Craig will schedule 2 different lunches for each grade level in order to maximize space and distancing. Students will remain seated and trash cans will be brought around to dispose of trash.

Dismissal

Students will be dismissed using a staggered release schedule and will exit the building assigned to them.

- Bus riders will proceed down the main hallway and wait in the cafeteria until their bus arrives.
- Students needing to retrieve an instrument will proceed to the appropriate classroom to collect their instrument and will exit the door of the fine arts area. They will not be allowed to walk back through the building.
- All other students will proceed out of the front entrance or other exits deemed appropriate by the campus administration.

Families should pick up students immediately after dismissal to discourage large groups from gathering outside. Students who walk home will need to leave campus immediately after dismissal.
