

August 25, 2021 Mann Parent Email

Good Evening!

I hope your family is well! Please remember to send your COVID Attestation and Tutoring Forms back to Mann with your child (if math and reading STAAR were both passing scores last year, we only need the Attestation).

Yearbook picture day order forms will be sent home next Monday. A picture purchase is not necessary to be in the yearbook, but if you want pictures, you must turn in the order form at the time the pictures are taken (September 3rd).

I also am sending this campus wide communication to notify you that 1 teacher and 2 students have tested positive for COVID-19. For additional information, please visit the district's COVID dashboard at abileneisd.org/covid19dashboard.

I hope you have a great rest of your week!

Kathy Walker, Mann MS Principal
