

# *What's Going on, Mann?*

March 3rd, 2021

## **Celebrating Mr. Richardson**

This week, students and faculty at Mann are celebrating the life of Mr. Glen Richardson. Different events will be taking place throughout the week to honor the memory of Mr. Richardson and the legacy he has left at Mann. To those who didn't know Mr. Richardson, our beloved 8th grade U.S. history teacher, was an inspiration to us all. He was kind, respectful, and wonderful in so many ways. He had a passion for history, the subject he taught to his students who loved him dearly. He will forever be missed, loved and always remembered for the person, teacher, member of AISD, and faculty friend he was to MMS. You will be greatly missed Mr. Richardson. "Only a moment you stayed. But what an imprint your footsteps have left upon our hearts." -Dorothy Ferguson

Signs for Mr. Richardson are hung throughout the halls. They will be decorated with flags made by students for Big Art Day.

A boulder sits outside across from the tennis courts to honor the memory of Mr. Glen Richardson.

## **Track Season Begins with a Bang**

And they're off! Track season has officially begun and Mann has started off the season with a bang. This past weekend Mann athletes had a great track meet. Falcons performed amazingly at the field events including pole vault, long jump, high jump, triple jump, shot put, and diskus. This past weekend was a complete success. The student athletes dominated the track and field side of the meet getting 1st place against Wylie East and S.A Glenn. Many of our athletes even brought home medals. Great job to the track and field team for making Mann proud.

## **Mann Band Performs Incredible Solo and Ensemble Performance**

The Mann Falcon Symphonic and Concert band had an outstanding solo and ensemble performance on February the 26th. The symphonic and concert bands worked hard on two separate pieces of music for each section of the band. The symphonic band rehearsed and performed a piece called *Country Gardens* and the concert band practiced and played *Cavatina* for the 2020-2021 solo and ensemble. Nice job Mann Band for continuing your reputation of excellence!
