

Benefits of the Census

Determined By Population Size

Data from the 2020 Census will determine how more than **\$675 billion** of federal spending are distributed, supporting your state, county and community's vital programs.

- Along with the annual federal funds, potentially there are more in state funds available to your community.
- Other programs/areas this money goes towards:
 1. Schools
 2. Roads/Transportation
 3. Hospitals/health services
 4. Senior programs
 5. Community Centers
 6. Parks and Recreation
- Representation in government to ensure your voice is heard.
- The Census is Confidential, your information will remain sealed for 72 years.
- Decision making at all levels depends on Census data
