10 Characteristics
Of A Highly Effective
Learning Environment
teachthought.com

01

The students ask more questions than the teachers

02

Questions are valued over answers

03

Ideas come from divergent sources

04

A variety of learning models are used

05

Classroom learning 'empties' into a connected community

06

Learning is personalized by a variety of criteria

07

Assessment is persistent, authentic, transparent, and never punitive

08

The criteria for success is diverse, transparent, and co-created with students and families

09

Learning habits are constantly modeled

10

There are constant and creative opportunities for practice and growth
