

# TEAMS Parent User ID Account Creation

If the parent/guardian is not an Abilene ISD employee or does not already have an account in TEAMS, then [click here](#) or access <https://teams.abileneisd.org/selfserve/parent> and click on the **Register New User** link.

Welcome

Welcome to the Abilene ISD Parent Self-Serve Portal

**To create a PSS account:**

- Click the "New Users" link below to create your Parent Self-Serve (PSS) user ID and password.
- You'll need the following information to create your account: your name and home address; your student's name, date of birth, local student ID number (lunch number), Social Security Number or Texas Unique ID.
- If you have more than one child, you only need to create your account and register one child. All of your children will display in your account once you login.

**Need help with your PSS account:**

Please contact the registrar or counselor at your child's campus.

We recommend using the current version of Chrome with the Parent Self-Serve portal.

**Current AISD Employees:**

If you are a current AISD employee, DO NOT create a new account. Use your current TEAMS credentials to access the Parent Self-Serve portal.

After the account is successfully created you will see this pop-up window.

**New User Registration Confirmation**

Congratulations, your Parent Self Serve sign-up is complete. You may now use the link provided by the district to access Parent Self Serve.

Thank you for registering for the Parent Self-Serve application!

Click OK and you can login with your new account to update the annual information for your student(s).

**Write down the TEAMS User ID and password you just created. You will need it to login to register a new student and/or update information on enrolled student(s). This same account will be used to check grades, attendance, health log, discipline occurrences, etc. throughout the school year.**
