

My Students and Student Information

From the drop down list, select the row with the student you want to update annual information and click **Next**.

The screenshot shows a web application interface for 'My Students'. At the top, there is a breadcrumb trail: '1. My Students', '2. Student Information', '3. Parent/Guardian Contacts', '4. Emergency Contacts', '5. Verify Campus', '6. Restrictions', '7. Student Forms', '8. Documents', '9. Attachments', and '10. Contact Enrollment'. In the top right corner, there are three buttons: 'Logout', 'Back', and 'Next'. Below the breadcrumb trail, the main content area is titled 'My Students'. On the left side of this area, there is a 'Select Student' dropdown menu. The dropdown is open, showing a list of students: 'Smith, John - (010101)', 'Jones, Jane - (020202)', 'Disney, Walt - (030303)', and '(Create New Student)'. An arrow points from the text 'Use the drop down and select student to start the registration process.' to the dropdown menu. In the center of the main content area, there is red text: 'Click Next to continue. If you accidentally click logout, just log back in and click Next to find the place you left off. Notice you can click on either Next buttons.' Two arrows originate from this text: one points to the 'Next' button in the top right corner, and the other points to the 'Next' button in the bottom right corner. The bottom right corner also contains 'Logout', 'Back', and 'Next' buttons.

Verify that all student information is correct, make changes if necessary and click **Next**.
