

Account Creation

- If the parent/guardian is not an Abilene ISD employee, **currently has a student enrolled in any Abilene ISD school** (including early childhood) and does not already have an account in TEAMS, then an account needs to be created from the following website <https://teams.abileneisd.org/selfserve/parent> or by [clicking here](#). Click on “**New User, please register**” and complete the account creation form using information from one of your students currently enrolled in an Abilene ISD school. *Remember the User ID and Password you create.* You will need them to login to the new student registration website and to access the parent link above to view grades/attendance/etc. of your currently enrolled students throughout the school year. [There is a help video on the webpage link above for assistance in creating a parent account using information from a currently enrolled student.]

If you have an account in TEAMS, but just forgot your User ID or Password, access the parent link above, click on “**Existing Users, please sign-in**” and click on the Forgot User ID/Forgot Password button.
