

Attachments

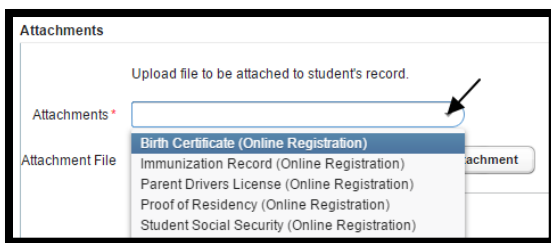

The attachments section allows the parent/guardian to upload any digital versions of registration documentation to help speed up the on campus registration finalization.

Uploading documents is not required, but bringing the documentation to registration finalization is required.

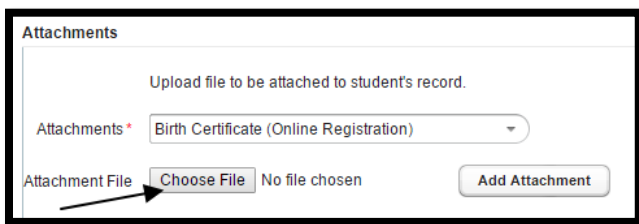

Required documents are:

- Birth Certificate/Passport/Legal name change documentation
- Immunization records
- Parent's Driver's License
- Proof of Residency (water/electrical bill, rental agreement, etc.)
- Student's Social Security card

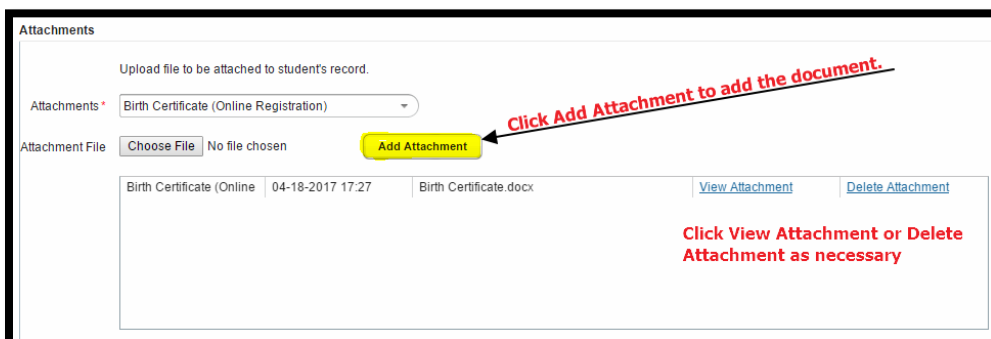

To upload a digital file, use the drop down menu to select the documentation type.

Click Choose File and find where the file is saved on your computer/device.

After selecting the file, click Add Attachment to add the document to the document list.

Click Submit to continue.
