

District-Wide Consultation Committee Meeting

(DWCC)

Minutes for Wednesday, November 1, 2017

The District-Wide Consultation Committee (DWCC) met on Wednesday November 1, 2017 at 4:30 p.m., in the Jefferson Room at One AISD Center. The following committee members attended Opal Mobbs, Steven Shinkle, Shelly Reed, Clay Johnson, Candace Kennemer, Linda White, Stephanie Hammer, Roger Thomas, Hailey Lew, Jessica Melson, Joe Alcorta, Phil Ashby, Dr. Young, and Summer Cox. Also present was the Communication Committees for the district. Members absent were Mike Richins, Charlie Thyne, Tom Tomaras, Elizalbeth Wagstaff, Tracy Howle, Dr. Barton.

Mr. Thomas welcomed the DWCC and the Communication Committees.

Dr. Young had four examples of the 2018-2019 calendar. He would like the committees to narrow down to two calendars and be able to present to the Board. After much discussion regarding the 2018- 2019-school calendars, both committees agreed on Option B and Option C. Both calendars are District of Innovation calendars. The only change that was recommended to the calendars was to have different symbols for the Professional/ Work Day and the Alternative Staff Development Days/ Work Days. Option B is now Option1 and Option C is now Option 2.

The next DWCC meeting is scheduled for December 6, 2017. The committee will then vote on which calendar to present to the Board for the December 11 Board meeting.

Meeting Adjourned at 5:31 p.m.

Summer Cox, Secretary
DWCC Committee
