

## District-Wide Consultation Committee Meeting

(DWCC)

Minutes for Wednesday, September 6, 2017

The District-Wide Consultation Committee (DWCC) met on Wednesday September 6, 2017 at 4:30 p.m., in the Jefferson Room at One AISD Center. The following committee members attended Steven Shinkle, Shelly Reed, Clay Johnson, Carey Kitts, Linda White, Roger Thomas, Tom Tomaras, Hailey Lew, Jessica Melson, Elizabeth Wagstaff, Tracy Howle, Dr. Alcorta, Phil Ashby and Summer Cox. Also in attendance were Dr. Barton, Kimberly Brumley.

Roger Thomas called the meeting to order and welcomed the committee. He asked that all committee members update their information on the information sheet.

Joe Alcorta discussed the different positions within the committee that will be vacant. If the committee members would like to serve on the committee again, they will need to fill out a ballot.

Dr. Barton discussed student enrollment with the committee. There was a decline in 2017-2018 school year compared to 2016-2017 school year. Abilene ISD has enrolled five Harvey evacuees. Per the state, the schools have to track each student that enrolls from the hurricane.

Kimberly Brumley discussed the three levels of Intervention, which are strengths, needs and priorities of the District. Every staff member that works directly with students went through CHAMPS training this summer. The training introduced proactive discipline in the classrooms.

Ms. Brumley asked the committee to think of different ways the district can tell the story of AISD. It is our responsibility to tell the public what great things are happening within the district.

The next meeting is scheduled for October 4, 2017

The meeting was adjourned at 5:32 p.m.

Summer Cox, Secretary
