Dr. Young welcomed the DWCC and the Communication Committees.

Dr. Young talked about the calendar for 2019-2020 school year and discussed the survey that went out to staff, parents and students. The survey showed that parents favored Option 1, while staff favored Option 2. Dr. Young would like both of the committees to discuss and compare the calendars. After much discussion regarding the 2019 – 2020 school calendars, both committees agreed on Option 1. Tom Tomaras made a motion for Option 1, and Clay Johnson seconded the motion. The motion carried unanimously. This calendar will be presented to the Board. After the vote, the Communication Committee was dismissed and the DWCC Committee continued the meeting.

Dr. Young welcomed and introduced the new members of the DWCC. We still need a parent and business representative and a new chair person.

Dr. Young thanked Roger Thomas for his service for serving as chair to the DWCC Committee.

Dr. Young mentioned that the January meeting will need to be changed due to the Midwinter TASA Conference. We will email and let the committee know when it has been rescheduled.
