Consideration Regarding Athletics

Secondary transfers may have implications for participation in
athletics.Participation in high school athletics is established during the
student's 8th grade year based upon the attendance zone in which the
student's residence is located.If a student does not participate in any of the athletic activities while in
eighth grade, or moved to the district as a high school student, the
student will be eligible only in the high school district in which the
student maintains residence at the time the student first participates.
